CALL FOR PAPERS

Prospective contributors are invited to submit papers dealing with new results in the field of light and lighting. The subjects of the papers should be relevant to the work and the terms of reference of the seven CIE Divisions and their Technical Committees. (For detailed information on domains of interest, the CIE website should be consulted.) Contributions published before will not be accepted. Papers dealing with questions of direct concern to the work of the Divisions will get priority.

PROCEDURE FOR SUBMISSION OF PAPERS

Contributions can be only submitted electronically.

Electronic submission (will be activated soon): for details on the electronic submission, please visit the CIE website (<http://www.cie.co.at/> and click on "Conferences").

The extended abstract should be submitted in English with a minimum of 500 and a maximum of 1000 words. It should be sufficiently specific and informative and should make clear the novelty the author wishes to describe, referring to results and practical applications. Based on this information the Board of Administration will make decision on the acceptance of the paper and on whether it will be given orally in a paper session, or as a poster presented at the stand.

The submissions must arrive at the Central Bureau via the Online Abstract Submission System of the Session Website by:

15 September 2010

Authors will be informed on the decision of the Board of Administration by 30 November 2010.

The authors selected (or one of their co-authors) have to register for the conference to present their paper. After the acceptance of their papers authors will be provided with information indicating format and deadlines of the written contributions for inclusion in the Proceedings.
